

2016/17 AWB Production Advance program

2016 Production Advance fees.

Production Advance fees are different for each AWB forward contract that is eligible to participate in the program. The program fees are monthly fees quoted inclusive of GST and are quoted on a per tonne basis.

These fees are deducted from the production advance amount we provide to you. To understand which fee would apply to an advance;

1. First select the month in which you would like to receive an advance;
2. Then select an eligible AWB forward contract and for
3. If a choosing an AWB Pool program, you will also need to choose a payment option.

For example, if you held a Season Starter Pool Contract with the Flexible Loan option, and wanted to access the production advance in August, you will pay a GST inclusive fee of \$3.95 per tonne.
