* 85% of EPR published at contracting.

** Access to the Production Advance program of up to \$100 per tonne, subject to approval, terms and conditions and eligibility criteria.

Note: Unless otherwise indicated, cash flow percentages reflect cumulative percentage of EPR. Costs are deducted from payments, however timing and percentage deducted per payment is dependent on payment choice. Please use 'AWB Estimated Silo Returns Calculator' for further detail. Harvest payments and credit limits are available seven business days from delivery.

The security of Guaranteed Payment Dates

Three guaranteed payment dates throughout the year make it easier to manage cash flow.

Month	Distribution	Deferred Distribution
February	Tuesday 28 February 2017	
June	Friday 30 June 2017	
July		Friday 14 July 2017

Our guarantee is for the date of the payment only. To the extent that a payment is not made by the guaranteed time, AWB offers to pay farmers interest at the rate of 18% per annum for each day that the payment is delayed. Payment amounts are estimates only and not guarantees as we do not want to limit pricing opportunities.
