2016/17 AWB Season Starter Program - Fees & Charges

Program fees & charges.

There are a range of fees and charges that apply to this pool. Some charges apply to all farmers delivering into the Pool whilst other charges apply to individual farmers based on program features, a specific delivery location, or costs that apply to your specific wheat deliveries.

All fees, charges and costs arising from the establishment and operation of the Season Starter, the marketing and sale of the grains (including costs associated with hedging activities) and the Management Fee set out below are already taken into account in the published Season Starter estimated return.

Site specific costs and Supplier Liabilities (e.g. on farm pick up charges, royalties and levies) that apply to your grain deliveries are not included in the published Season Starter estimated return and are deducted separately from your return.

Program specific fees, as outlined below, may also apply depending on your chosen payment options and whether you require various other administration services.
